Our Members

The Pacific Northwest is one of the hottest and fastest growing markets for natural foods and other natural products. Provender members stay well informed and are the decision makers of the industry. They read *Provender Journals* to find useful solutions and timely articles.

They support advertisers who support Provender. Most *Journals* are read cover to cover and passed around among every employee because *Journal* articles are written about issues our members deal with on a day to day basis and contain Member News to keep everyone up to date.

Provender Alliance

Provender Alliance began in 1977, and is a non-profit membership organization providing outreach and education to natural foods and related companies doing business in the Pacific Northwest. Members represent retailers, distributors, manufacturers, brokers, consultants, and individuals from British Columbia, California, Idaho, Montana, Oregon, Washington, in addition to areas outside of the Northwest.

Important Information

- ◆ Ad deadline is the 10th of Feb., April, June, Aug., Oct., & Dec. Issue published at the end of the deadline month.
- ◆ Conference Program ad deadline is September 10th.
- ◆ Ads must be black and white or full color. They can be submitted electronically in PDF or JPEG format. Please call the office for details.
- ◆ You will be billed for your ads after publication.
- ◆ If you cancel mid-contract, you will be billed at the rate for the number of ads actually placed.
- ◆ You receive copies of publications in which you place your ads.

Provender Journal and Conference Program

The *Provender Journal* is a bi-monthly publication mailed directly to over 800 buyers, owners, managers, and employees of Pacific Northwest natural foods businesses and organizations. Most *Journals* are shared among employees. The *Journal* covers a wide range of topics, from ethics to rBGH to member profiles to the internet. The *Journal* is a great place for industry leaders to see your company's products and services.

Provender Alliance sponsors an annual Educational Conference in the Northwest with keynote events and over 25 workshops. It provides a cooperative atmosphere for members to teach and learn from one another and network about the natural products industry. The Conference Program contains the conference schedule and advertising and is given to every attendee.
